Five little bunnies hopping on the floor,
One hopped away,
And then there were four.

$$\underline{\hspace{2cm}} - \underline{\hspace{2cm}} = \underline{\hspace{2cm}}$$

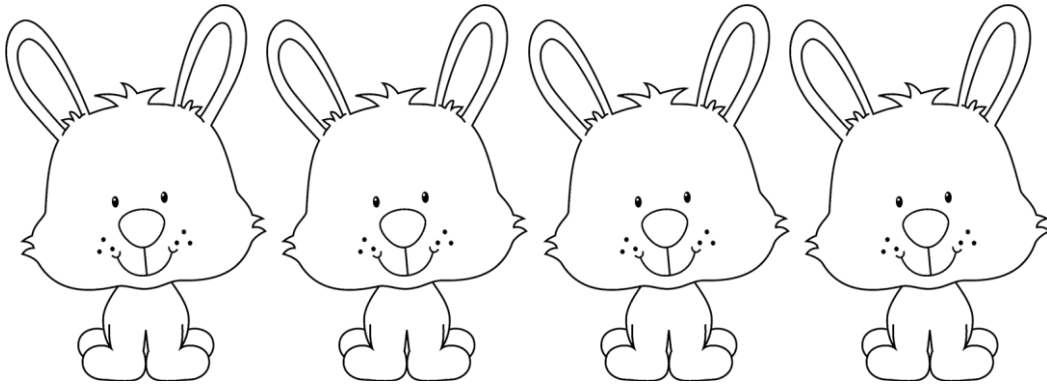

Five little bunnies hopping on the floor,
One hopped away,
And then there were four.

$$\underline{\hspace{2cm}} - \underline{\hspace{2cm}} = \underline{\hspace{2cm}}$$

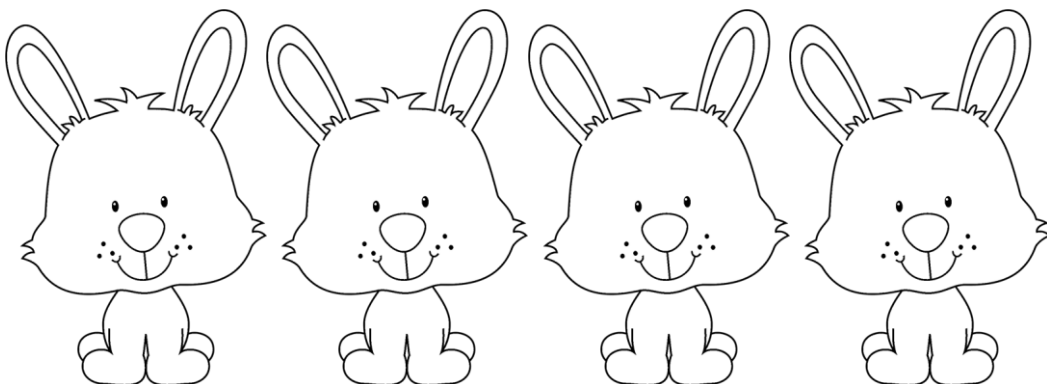

Four little bunnies, sweet as can be.
One hopped away,
And then there were three.

$$\underline{\quad\quad\quad} - \underline{\quad\quad\quad} = \underline{\quad\quad\quad}$$

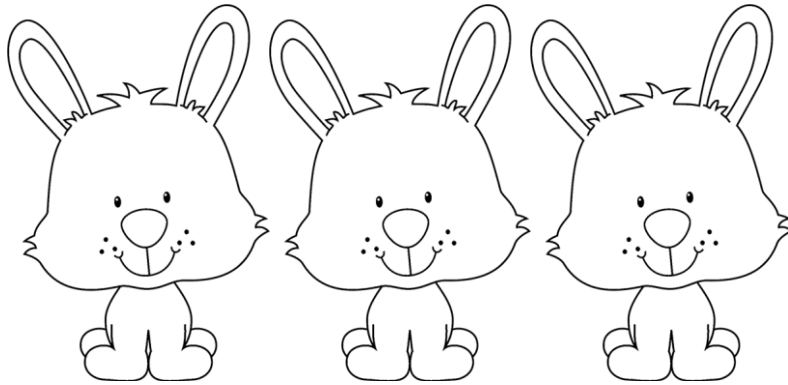

Four little bunnies, sweet as can be.
One hopped away,
And then there were three.

$$\underline{\quad\quad\quad} - \underline{\quad\quad\quad} = \underline{\quad\quad\quad}$$

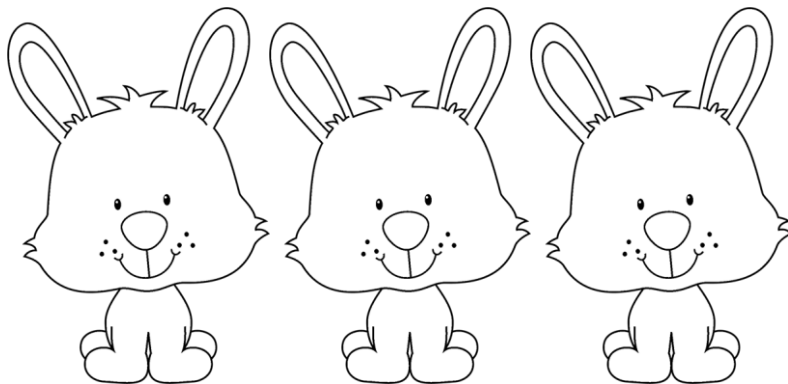

Three little bunnies, I once knew.
One hopped away,
And then there were two.

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$

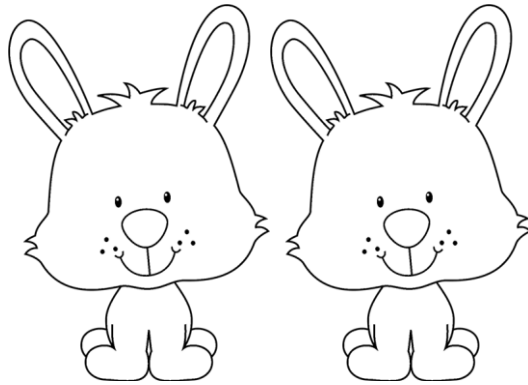

Three little bunnies, I once knew.
One hopped away,
And then there were two.

$$\underline{\quad} - \underline{\quad} = \underline{\quad}$$

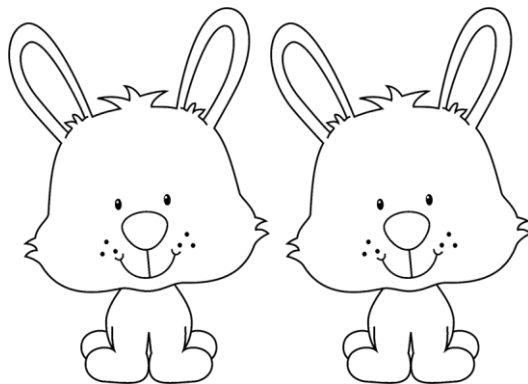

Two little bunnies, oh what fun!
One hopped away,
And then there was one.

$$\underline{\quad\quad\quad} - \underline{\quad\quad\quad} = \underline{\quad\quad\quad}$$

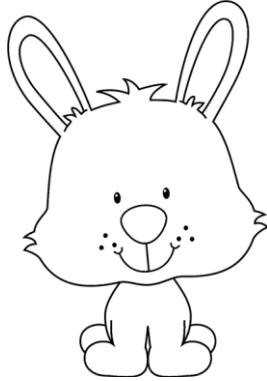

Two little bunnies, oh what fun!
One hopped away,
And then there was one.

$$\underline{\quad\quad\quad} - \underline{\quad\quad\quad} = \underline{\quad\quad\quad}$$

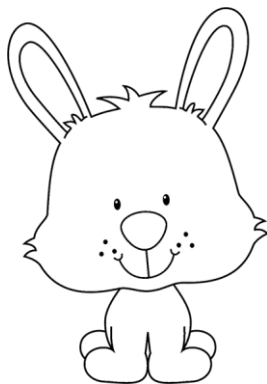

One little bunny, playing in the sun,
One hopped away,
And then there were none.

$$\underline{\quad\quad\quad} - \underline{\quad\quad\quad} = \underline{\quad\quad\quad}$$

One little bunny, playing in the sun,
One hopped away,
And then there were none.

$$\underline{\quad\quad\quad} - \underline{\quad\quad\quad} = \underline{\quad\quad\quad}$$

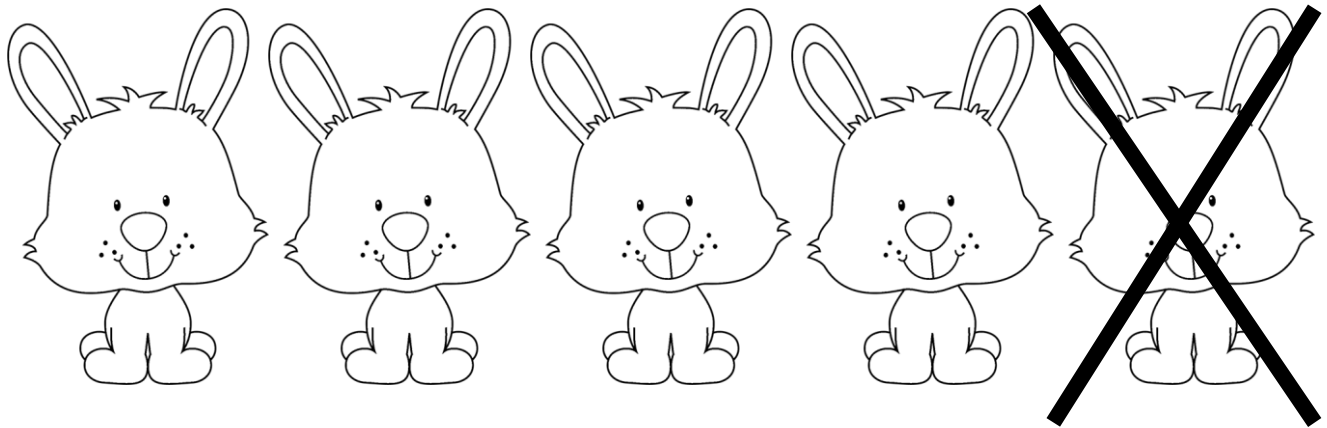

This emergent reader is designed to be interactive. Students read the rhyme, write the equation and then X out the bunny that hopped away to double check their answer.

For example:

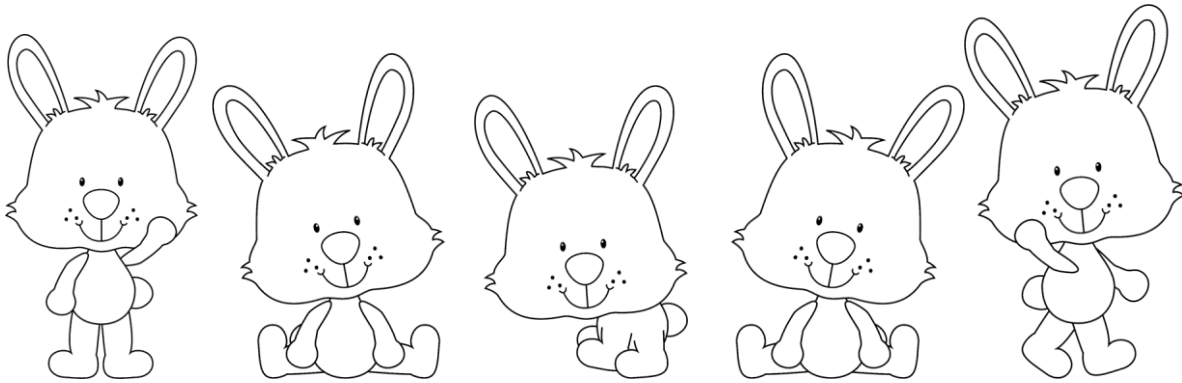

Five little bunnies hopping on the floor,
One hopped away,
And then there were four.

$$\underline{\quad 5 \quad} - \underline{\quad 1 \quad} = \underline{\quad 4 \quad}$$

Five Little Bunnies

(Adapted from the rhyme Five Little Cookies – Author Unknown)

Five little bunnies hopping on the floor,
One hopped away,
And then there were four.

Four little bunnies, sweet as can be,
One hopped away,
And then there were three.

Three little bunnies, I once knew,
One hopped away,
And then there were two.

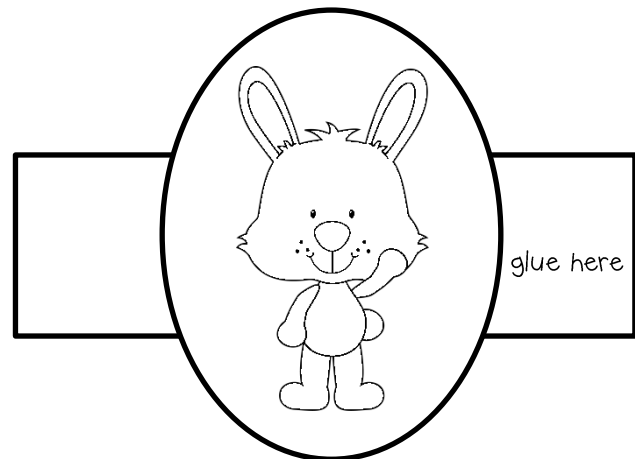

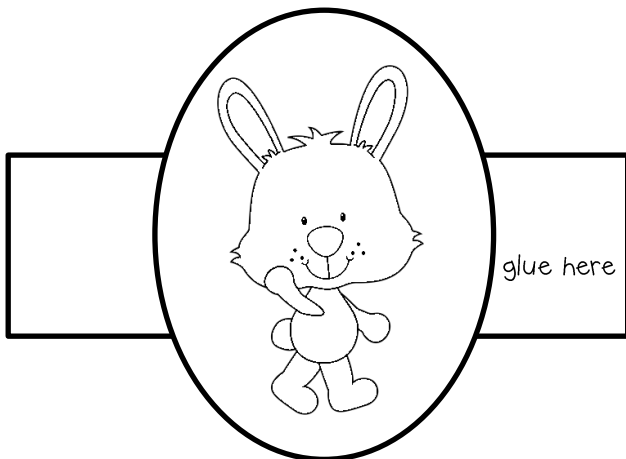

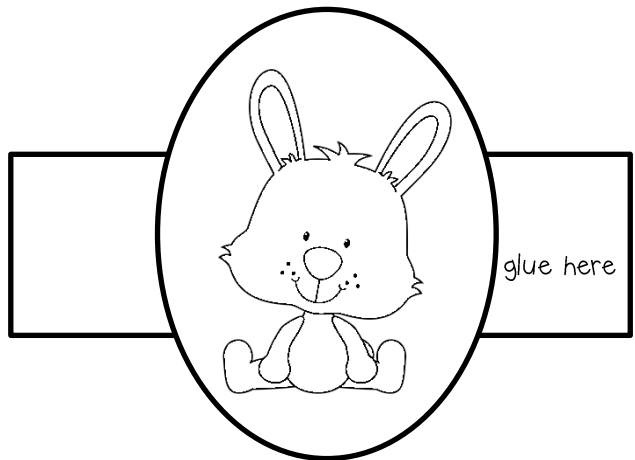

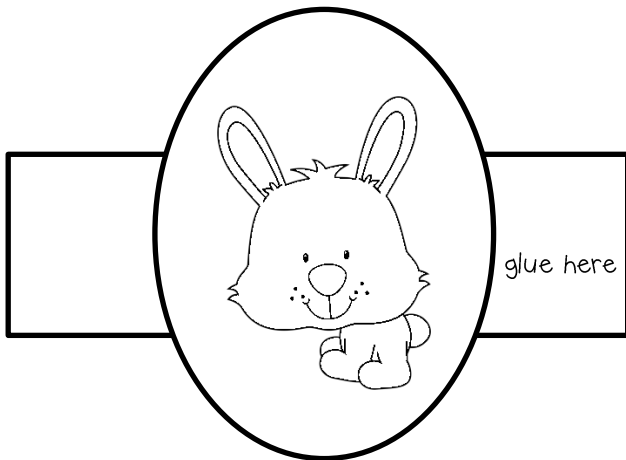

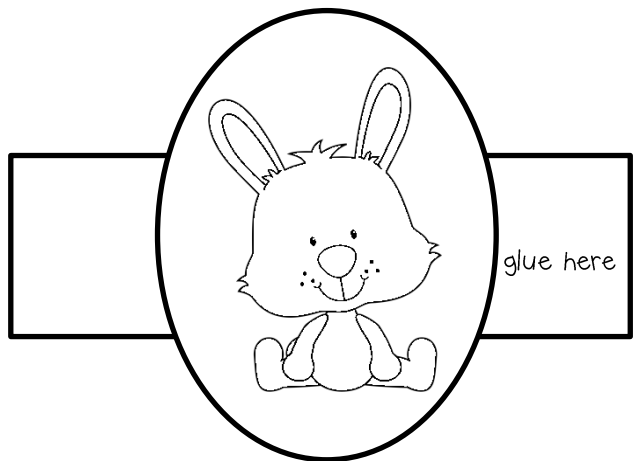

Two little bunnies, oh what fun!
One hopped away,
And then there was one.

One little bunny, playing in the sun,
One hopped away,
And now there are none.

Five Little Bunnies

Finger Puppets

Students color, cut and glue the finger puppets. They are made a little larger for ease in slipping off and on a child's finger for repeated play.

Hello!

Thank you so much for your purchase or download from my store! I hope you enjoy the items you downloaded! Feel free to contact me if you have any questions or concerns about your order.

Many thanks to the following artists who created the graphics and fonts I used to create this resource.
